Writing Section

I am very kind to everyone. When a friend of mine is in trouble, I can lend a hand to my friend. When I was in the US, a new Japanese student came to my school. When she could not express herself well in English, I supported her in order for her to enjoy her school life. I taught her some simple English. After a little while, she gradually felt better and got used to her new environment. Through this experience, after entering Kyoritsu, I am sure I will be able to show kindness to my new friends.
